Behaviour Principles

At Holy Trinity School we aim to work together, learn together and grow together so that everyone enjoys being at school and is proud to be part of it.

We aim to:-

- create a safe and happy environment in which all can learn and also feel confident to explore their imaginations and to face challenges as they grow
- develop the children's self-esteem and positive attitudes towards acceptable behaviour including the building of relationships with others consistent with Christian values and the well-being of the community

The school has a clear set of rules, rewards and sanctions and we comply with laws and regulations and we implement and promote best practise concerning the well-being of children. In doing so we are committed to improving the outcomes for all our children including promoting equality of opportunity.
